

World Youth Day 2008

All young adults between the ages of 16 and 35 are invited to an informational meeting about our World Youth Day pilgrimage to Australia in July 2008. We'll talk about the ITINERARY, FUNDRAISING, and, most importantly, the COST, and registration deadlines.

If you want to participate in this trip as a young adult, you NEED to come to this meeting. Parents of those under age 21 should also attend.

SUNDAY, JULY 8, 2007

5:45 to 6:30 p.m.

Saint Mary Hall

The meeting will be followed by an Ice Cream Social and youth group activity evening for all High School and Middle School students.

Just a reminder: High school students who want to participate in World Youth Day and those who are or will be in Confirmation this year are required to be actively involved in youth group sessions. Also, all students who have already been Confirmed in April need to stay involved in church and youth group activities! Confirmation is not graduation from learning about your Catholic faith!

Contact Yvonne or Alissa at the parish offices for more information.
