St. Blaise was probably born to a noble and wealthy family, who provided him with a Christian education. He went on to become a physician, but eventually was chosen and consecrated a Bishop. During one of the last persecutions of the Church by the Romans, St. Blaise went to live as a hermit in a cave outside of town, where he was known to heal the sick. Ultimately, he was discovered and he was taken to the governor of Cappadocia, and thrown into jail. St. Blaise was asked to renounce his faith and when he wouldn't, he was martyred. St. Blaise is invoked at the blessing of throats, because when he was in prison, he miraculously cured a young boy who was choking to death on a fishbone stuck in his throat.

Blessing of the Throats will be after all the Masses on February 3rd and 4th.

The Children's Rosary Group will be meeting the first Sunday of every month at 4pm to learn about and pray the Rosary. Kids of all ages and families, please join us February 4th in the Church.

The front entrance will be locked so please enter through the west handicapped door.

San Blas probablemente nació en una familia noble y rica, que le proporcionó una educación cristiana. Luego se convirtió en médico, pero finalmente fue elegido y consagrado obispo. Durante una de las últimas persecuciones de la Iglesia por parte de los romanos, San Blas se fue a vivir como ermitaño a una cueva en las afueras de la ciudad, donde era conocido por curar a los enfermos. Al final, fue descubierto, llevado ante el gobernador de Capadocia y encarcelado. A San Blas se le pidió que renunciara a su fe y cuando no lo hizo, fue martirizado. San Blas es invocado en la bendición de las gargantas, porque cuando estaba en prisión curó milagrosamente a un joven que moría asfixiado con una espina de pescado clavada en su garganta.

La Bendición de las Gargantas será después de todas las Misas del 3 y 4 de febrero.
