## LIGHTS OUT

Have you noticed the number of lights that are out, or are flickering in the Church ceiling. Several years ago, we replaced all lights with LED bulbs. As it turns out, the very complicated lighting system that we have, with all of the diming options and different settings, is not compatible with LEDs and drastically shortens their life span, even though they are all dimmable bulbs. This system was put in before LED's became the go to bulbs of today. We have two options to rectify the situation. We can replace all of the bulbs again, at a cost of \$1,400 for the bulbs, which would fix the problem in the short term, or we can at the same time replace the lighting system at a cost of \$10,750 which would take care of the problem for many years to come. As you can imagine, it is extremely difficult to change the bulbs in the Church. It requires setting up, tearing down and moving, and setting up again 6 sets of scaffolding for 87 bulbs. If you would like to help out with the cost of this project, please see Clay for more details. We have raised, so far, \$3,560.

On Saturday, June 10<sup>th</sup>, there will be a **Corpus Christi procession at 5:15pm**. We will be walking with Jesus in silence around the block

### Consecration to Mary:

- **Wednesday, May 31st at 6:30pm** in the church will be the concluding ceremony

### **From Pope Francis, "Living Liturgical Action Fully"**

**(01-20-23):**

*And finally, I urge you to cultivate silence. In this age, we talk, we talk... Especially before the celebrations – a moment that is at times taken for a social gathering. We talk: "Ah, how are you? Is everything going well?" **Silence helps the assembly and concelebrants to concentrate on what is to be done. Often sacristies are noisy before and after celebrations, but silence opens and prepares for the mystery: it is silence that enables you to prepare for the mystery, it permits its assimilation, and lets the echo of the Word that is listened to resound. Fraternity is beautiful; greeting one another is beautiful, but it is the encounter with Jesus that gives meaning to our gathering, to our coming together. We must rediscover and cherish silence!***

### Walk For Life

On Saturday, June 3<sup>rd</sup> St. Mary's will once again be hosting the annual Life Choices, Walk for Life fundraiser. Registration and check-in start at 8:00, and the walk starts at 9:00. There will be food and fun for the whole family afterwards. For more information, and to pre-register (recommended), please go to [lifechoicesmontrose.org](http://lifechoicesmontrose.org) and click on "Events".

**ST. MARY'S PARISH LIBRARY** is operated on a self-serve basis and open for your browsing pleasure any time the Church is open. We are justly proud of our library which, consisting of nearly 1500 books, from Theology to Family Life, is a great resource for growing in your faith and understanding.

### Consagración a María:

- **El miércoles 31 de mayo a las 6:30 pm** en el templo será la ceremonia de la consagración

### **Papa Francisco, "Vivir en Plenitud la Acción Litúrgica" (20 enero 2023):**

Y finalmente os exhorto a cuidar el silencio. En esta época, se habla...Especialmente antes de las celebraciones -un momento que a veces se toma como un encuentro social, se habla: "Ah, ¿cómo estás? ¿Cómo va, cómo no va?"-, el silencio ayuda a la asamblea y a los concelebrantes a concentrarse en lo que se va a realizar. A menudo las sacristías son ruidosas antes y después de las celebraciones, pero el silencio abre y prepara al misterio: es el silencio que te prepara al misterio, permite la asimilación, deja resonar el eco de la Palabra escuchada. Está bien la fraternidad, está bien saludarse, pero es el encuentro con Jesús que da sentido a nuestro encuentro, a nuestro reencuentro. ¡Debemos descubrir y valorar el silencio!
