Financial Report for the Fiscal Year July 2021-2022:

Our income totaled \$681,753.75, our expenses totaled \$600,176 (which includes Ministry & Liturgy, Religious Formation, Administration, Buildings & Maintenance), and our DMF debt for the years 2010-2014 is now at \$96,414.95, after a payment of \$25,453.78 to gain a last-chance 10% discount off the sum of what we still owe the Diocese. The Finance Council is now working on scheduling upcoming projects in order of priority, establishing a reserve fund for unexpected building expenses, and a plan to pay it off, our old DMF debt, over the next 4 to 5 years. We thank you for your ongoing and heartfelt support to keep our parish strong, since God loves a cheerful giver (2 Corinthians 9:7), plus considering the wonderful developments with all these new young families showing up and increasing the life and joy of our community of the faith. Praise the Lord!
